

WANT TO GO SOLAR?

Join the Cecil County Solar Co-op

Come to an information Session
October 12th at 7:00pm
St. Mary Anne's Church
315 S Main St, North East

Save up to 20% off the cost of going solar

Get help from the co-op throughout the process.

System sizes vary. You can size to fit your budget.

Neighbors in Cecil County are forming a solar co-op to save money and make going solar easier while building a network of solar supporters.

Local non-profit **MD SUN** has helped homeowners organize over a dozen solar co-ops in Maryland in the last two years.
